THE ESTATES OF SUNNYBROOK WEDDING PACKAGES

We recognize that planning your wedding involves many decisions, and many costs. To make your planning easier, we have created a simple all-inclusive wedding package.

This package includes everything except the fee for the ceremony, room rental and other items you would normally contract from other suppliers such as: flowers, décor, wedding cake and musical entertainment. Please ask for our preferred supplier list for these additional services.

Should this package not be perfectly suited to your needs, we also offer a wide range of a la carte selections or we would be happy to customize a menu for you.

Please call our wedding specialists at 416-487-3841 for more information about hosting your wedding at The Estates of Sunnybrook.
