RECEPTION DRINKS

To supplement your bar, our event experts recommend serving a signature cocktail, to be passed around by our servers during the cocktail hour. It is a welcoming gesture for your guests, and also helps to reduce congestion at the bar during the cocktail hour.

Some of our more popular suggestions include the following:

PUNCHES (PASSED)

Fruit Punch (Non Alcoholic) \$55/gallon (serves 20)
White Wine Punch \$95/gallon (serves 20)
Rum, Gin, Rye, Vodka Punch \$105/gallon (serves 20)
Champagne Punch \$110/gallon (serves 20)
Red or White Wine Sangria \$175/gallon (serves 20)

Alternatively, we can design a signature cocktail to suit your tastes, your budget, or your colour scheme. Just ask your Catering Representative for their suggestions.
